DELEGATE SELECTION

Why do we elect delegates?

Electing delegates ensures that the group conscience is served through equal and fair representation of the membership. Registered delegates receive information packets concerning voting items being presented, enabling them to review materials in advance and to learn their home group's conscience before the conference.

How do I learn if my Intergroup has already selected a slate of delegates?

Following is a list of phone numbers and websites of registered Intergroups. If you live in one of these areas, please contact the Intergroup for further information about becoming a delegate. If you live in an area where there is no Intergroup, your group may elect you as a delegate.

How many delegates can an Intergroup vote to elect?

Each Intergroup is entitled to send one delegate for every three meetings/groups and one additional delegate for any portion thereof.

What if my group does not belong to an Intergroup?

Groups not affiliated with an Intergroup are also eligible to send a delegate using a similar system. If there are between one and three groups not affiliated with an Intergroup, those one, two, or three meetings may elect one delegate collectively. If there are more than three, those groups again may collectively send one delegate for every three meetings and one additional delegate for any portion thereof.

Are the costs a delegate incurs reimbursable? What are the procedures for an election?

Delegate election is done the way any other business is conducted at your local group or Intergroup. Some Intergroups reimburse delegates for a portion of the conference expenses, but both of these aspects of delegate service are outside the scope of NAWS in keeping with our 4th Tradition. Delegate expenses may *be* tax deductible.

Whom may I contact for further information about this process?

If you have any questions about this process, or would like additional information about forming an Intergroup in your area, please contact:
