CAMPING!

Anyone wanting fellowship for the whole weekend is welcome to camp Friday and Saturday nights. We have a site this year which accommodates six people. Contact Peggy M. (707-775-9449 or mirounga0203@yahoo.com) for details. Some people may have tents to share if you need one. Extra cars will have to pay a fee and park down in the day-use picnic area after dropping your things off at the site.

We might take a hike some time during the weekend. Plan to share a potluck meal on Friday night and Sunday morning breakfast before we head off into the sunset.
