## **COVID-19 SAFETY STATEMENT**

Tradition One: Our common welfare should come first; personal recovery depends upon Nicotine Anonymous unity. In that spirit, NYMAI hopes CITC attendees are vaccinated/boosted and self-test/PCR just prior to arriving. See link to order 8 free kits. Pre-existing health issues are common among NicA members. Let's be safe and make it safe for each other. If you are not feeling well, please stay home. Thank you for your cooperation.

Order in advance 8 free test kits at [www.covid.gov](http://www.covid.gov) or [https://special.usps.com/testkits\\*](https://special.usps.com/testkits)  
NYMAI will have masks available as an additional option.
