The Northern California Fellowship of Nicotine Anonymous will once again be welcoming our members to our annual Winter Potluck in January, to meet and connect in person over food, recovery, and fellowship.

Please bring a variety of foods to share for the potluck. Fellowship Hall has a complete kitchen with a sink, stove and microwave available so hot dishes are welcome and may be warmed up on site! A variety of other non-heated dishes are also welcome!

Time: People will begin gathering about **11:00 AM** to do service by helping to set up the room for the potluck, as well as to visit and have fellowship.

We will sit down to lunch at about Noon. A Nicotine Anonymous meeting will follow at 2:00 PM, which is the regularly scheduled time of the Saturday afternoon Berkeley Nicotine Anonymous meeting, which has been consistently held in the same room for many years!

Following the meeting people will visit and fellowship some more as they also do service by helping to clean the room up after the gathering.
